ABOUT ME

I'm an aspiring Front-End Developer and Web Designer currently studying in the Philippines. I enjoy building web applications using HTML, CSS, and JavaScript, and I'm currently learning React and Tailwind CSS. I'm passionate about crafting clean, responsive user interfaces and always eager to explore new technologies and design trends.

EXPERIENCE

On the Job Training

2025 - 2025

DICT Isabela Provincial Office (Cauayan)

- As an intern at the Department of Information and Communications Technology (DICT), I gained valuable hands-on experience in various areas such as networking, cybersecurity, programming, and IT infrastructure. I participated in training sessions, worked on real-world projects, and collaborated with a team of professionals, all while learning new skills and applying my knowledge to industry-standard tasks. This internship provided an opportunity for professional growth, allowing me to develop both technical and soft skills in a supportive and structured environment.
